7. Mr. Wolf and I attended the meeting with Mr. Dulles, Mr. Wisner, Admiral Overesch, [redacted], Mr. [redacted], Mr. Amory, and others concerning the organizational structure of the Far East Command, as now proposed. It was agreed that while Admiral Overesch would command only the North Asia Command, which includes roughly Japan, Korea, Okinawa, Formosa, Saipan, Hong Kong, and Subic Bay, he would provide logistic support to the Southeast Asia Command and assist them in any other way possible. In addition, Admiral Overesch is charged with all Unconventional War Planning for the Far East. He also is responsible for all operations against targets on the China mainland.
